Dear John,

I was most pleased to be able to meet you at the recent STAP meeting. I want to take this opportunity to officially welcome you as a member of my Science and Technology Advisory Panel.

I believe your expertise in mathematics and statistics will help make STAP even more effective than it has been in the past. The Panel is currently examining a number of important S&T intelligence issues, and I am confident your participation in these efforts will be of great value to all concerned. I am also pleased that you will have the time to continue your excellent work with the Office of Research and Development in CIA.

Once again, welcome aboard. I look forward to working with you.

Sincerely,

*William J. Casey*
